

## **ARCHITECT / DESIGNER (FULL-TIME)**

This is an exciting and challenging opportunity for a beginning or intermediate architect/designer to learn and grow in a small firm environment. We are looking for a creative, well-rounded and thoughtful individual with a passion to learn. The ideal candidate must be an excellent communicator, and display strong sketching and technical drawing skills.

### **REQUIREMENTS:**

- Recent graduate or up to three years of experience.
- Master's or Bachelor's Degree in Architecture
- A commanding knowledge of AutoCAD and Adobe Suite (Revit is a plus)

### **APPLICATION INSTRUCTIONS:**

If interested, please email resume and portfolio to [iaa@i-a-a.com](mailto:iaa@i-a-a.com), subject line: Architect/Designer.

### **ABOUT IAA:**

IAA is a studio committed to design excellence through exploration, experimentation and innovation. Believing creativity is best nurtured in an open work environment, collaboration is paramount to our success. We feel architects and designers learn by doing. Through deep involvement in every aspect of a project, each staff member has a direct impact on our work.
